The new *A Quiet Place: Day One* prequel *A Quiet Place: Day One* will be available for streaming first on Starz for subscribers. Later on, the movie will also be released on Peacock. Thanks to the agreement between distributor Lionsgate and the NBC Universal streaming platform, determining the exact arrival date of the movie is a slightly more complex matter. Typically, Lionsgate movies like *John Wick 4* take approximately six months to become available on Starz, where they tend to remain for a considerable period. As for when *Songbirds & Snakes* will be accessible on Peacock, it could take nearly a year after its release, although we will only receive confirmation once Lionsgate makes an official announcement. However, if you wish to watch the movie even earlier, you can rent it on Video on
